

TWENTY-SIX DAYS REMAIN IN WHICH TO WORK FOR BIG PRIZES

FOUR WEEKS FROM SATURDAY THE CALL OF "TIME" WILL PUT AN END TO THE EFFORTS OF CANDIDATES AND HAWAII'S GREATEST POPULARITY CAMPAIGN WILL BE A MATTER OF HISTORY

SHORTNESS of TIME Makes EVERY MOMENT VALUABLE

Do Not Be One of Those Who Will Be Filled With Regret at Not Having Properly Tried. When the Contest Is Over—One of Those Handsome Rewards Is Yours If You Try—Special Offer on "OLD" Subscriptions Closes Wednesday Night.

"Slowly but surely the Grand Prize satisfied with my work." Personal campaign of the Bulletin satisfaction is everything. If you can't travel toward its finish, and the say this to yourself after it is all over, passing of each day brings the goal you will have nothing to regret. For better. Within twenty-six days the no one can ask of you more than you will be but a memory and can do. But first make certain those who have entered and put forth you are doing your best. Such an amount of effort will be entirely as is now offered to you comes but seldom and may never come again; hence, if you appreciate the opportunities of life, you will do your very best during this short time, which is daily growing shorter.

And how short the time really is you will not realize until the end is in sight. "The wasted moment" comes not back, and if you expect to win you cannot afford to lose any time. Make the most of your efforts now and leave the finish to decide your reward.

"Old" Special Offer Closes Wednesday.

Do not lose sight of the fact that the Special Offer on "OLD" subscriptions closes next Wednesday night at 9 o'clock. Until this hour "OLD" subscriptions have a value that they will never have again during the contest, and it behoves you to secure every possible old subscription during this time. Remember, also that every month's subscription counts on throughout the contest, no matter how many payments on subscription may

A candidate is not limited to the number of these clubs she may secure and every old subscription of six months or over counts for extra votes. No time should be lost during these remaining two days if you want your old subscriptions to bring you their full measure of value.

THIS OFFER IS POSITIVELY THE BEST THAT WILL BE MADE ON OLD SUBSCRIPTIONS DURING THE CONTEST. This is a chance for every old subscriber to assist his or her favorite candidate by making payments NOW on their subscriptions.

Candidates outside of Honolulu may mail their subscriptions BY 9 o'clock next Wednesday night and have them apply on this offer.

Shifting of Subscriptions. Another important point for candidates to take notice of is that shifting of subscriptions — the changing of the name of one subscriber to another at the same address. The mere changing of the name of the subscriber at the same address does not constitute a "NEW" subscriber, nor will such subscriptions be counted as now during the life of the contest. When a subscription is turned in as new it should and must be a bona-fide new subscription. All subscriptions are checked up and a candidate who deliberately turns in old subscriptions as new may find herself short many thousand votes at the final counting.

A new subscriber is one who was not taking the paper at the time the contest started, and such a subscriber will always be counted as "NEW" throughout the contest, no matter how many payments on subscription may

be made. Such additional payments on new subscriptions should be marked on the stubs "Second Payment," "Third Payment," etc., as the case may be.

Contest Office Hours. The Contest Office is open all day and up to 8 o'clock in the evening for the accommodation of those who cannot visit us at other times. If you cannot make your visits during the day, come in the evening, but a most important thing for every candidate is to keep in close touch with this department.

Read the Paper Carefully Each Day. Every candidate should make it a point to read the paper carefully each day, as many important things are noted here, and instructions for candidates are printed daily. Without carefully looking over each issue, you may lose many votes, and thus help in your defeat, or make your work much harder.

Another Important Point for Candidates to Take Notice of is That of Shifting of Subscriptions — the Changing of the Name of One Subscriber to Another at the Same Address. The mere changing of the name of the subscriber at the same address does not constitute a "NEW" subscriber, nor will such subscriptions be counted as now during the life of the contest. When a subscription is turned in as new it should and must be a bona-fide new subscription. All subscriptions are checked up and a candidate who deliberately turns in old subscriptions as new may find herself short many thousand votes at the final counting.

Changing from the Weekly Bulletin to the Daily will be considered a NEW subscription. Subscriptions must be sent by mail, paid at the Bulletin office or paid to the candidate in person.

For seven days only, beginning WEDNESDAY, MAY 22, and ending MAY 29, at 9 p. m., in addition to the votes given on subscriptions according to the above schedule, we make to contestants the following offer:

We will give each and every contestant an extra ballot of 50,000 votes who turn into the EVENING BULLETIN office five old twelve-month daily subscriptions, or 30 old weekly subscriptions for one year each, between May 22 and May 29.

We will give each and every contestant an extra ballot of 25,000 votes who turn in five old six months' subscriptions between the above dates, or 15 old weekly subscriptions for one year each. Nothing less than six months' subscriptions will apply on this offer.

This is an opportunity to catch the leaders. Take advantage of it. Yearly subscriptions count two for six months. This is an opportunity to get extra votes by a little effort.

The subscriptions should not be held back until the last day, but should be turned in as soon as secured. An accurate account will be kept of all subscriptions turned in by contestants.

The Contest Department will issue extra ballots after this offer closes and mail same to contestants entitled to them.

Candidates are not restricted as to the number of clubs they secure, but will be given credit for all they secure.

Two-year weekly or daily subscriptions will count as two years on offer. Likewise longer term subscriptions will count as so many years on offer.
